MEMORANDUM

DATE: May 10, 2016
TO: Mike Nichols
FROM: Rachael L. Drenovsky
RE: Law Day 2016

Thank you for your collaborating with the Michigan Supreme Court Learning Center on Law Day 2016. I appreciate that you not only served as a guest speaker but also helped to make both lawyers and schools aware of the event.

On Law Day, everyone from St. Mary Star of the Sea Elementary School of Jackson offered glowing remarks about their visit and how much they appreciated that you shared your time and expertise so generously with them. As you can see from the rapt attention shown in the attached photo, you engaged the students through your storytelling. This helped them to understand *Miranda* better and to gain an appreciation for their rights.

Also, teacher Ms. Kristie Shantry of Howell High School attended as a result of your contact with her principal. Previously, she was unaware of the Learning Center, but now she plans to bring her students to Constitution Day in September. She commented how much she appreciated being able to attend, since her students compete annually in the We the People program, and the fall event would make a perfect kick-off for her students as they prepare for their competitions.

Again, thank you for your support of this Learning Center event. I look forward to the possibility of working with you again.
